

Dear students,

Update(1st April) 【Important】 Changes of class schedule of 1st semester, 2020 and entrance ceremony of graduate school

School and graduate school of Economics and business decided to rechange the class schedule of 1st semester, 2020 and the date of entrance ceremony of graduate school as information below.

As for the total class weeks, we will have 13 weeks for this semester(Originally 15 weeks), however, to make the learning time enough we will provide some assignment out of the class time. Depending on the classes, there will be a prior assignment or online course before the class starting date, so please check the website and message from ELMS.

In addition, updated syllabus will be opened from **16th April**. (Before 16th April, the syllabus may not be browsed temporarily. Thank you for your understanding.)

1. Class schedule of 1st semester, 2020

(1) The class starting date will be postponed as follows
