### ■Aims, contents and methods

This lecture, Socio-Economics II, is one of the fields of applied economics. This year we discuss especially the issue of new coronavirus, COVID-19. Now we face pandemic all over the world. We discuss how to cope with this disaster.

Students in this lecture are preliminary required to have basic knowledge of socio-economics and sufficient knowledge of “Socio-Economics (1).” Students will be requested to write essays or reports in English.

The followings are the obligations:

(1) Registering the FACEBOOK messenger community of this lecture: please **activate your account in FACEBOOK and send your request to “become friend” to the moderator of this lecture, Hashimoto Tsutomu (Hokkaido University)**, so that he incorporates you to the Facebook messenger community of this lecture. <https://www.facebook.com/tsutomu.hashimoto.79> ( Use the following QR code to visit Hashimoto Tsutomu’s Facebook page.)

(2) Writing a report (400-500 words, A4 format) on your self-introduction. Please send your report to the “FACEBOOK messenger community” of this lecture by May 19th, 24:00.

(3) Writing a report (800-1,000 words) on the introduction of one of your group members. (We make groups among students). Please send your report to the “FACEBOOK messenger community” of this lecture by May 26<sup>th</sup>, 24:00.

(4) Writing a report (1,000-1,500 words) based on materials which I distribute later. Please send your report to the “FACEBOOK messenger community” of this lecture by June 9<sup>th</sup>, 24:00.

(5) Writing a report (1,000-1,500 words) based on materials which I distribute later. Please send your report to the “FACEBOOK messenger community” of this lecture by June 23<sup>rd</sup>, 24:00.

(6) Writing a report (1,000-1,500 words) based on materials which I distribute later. Please send your report to the “FACEBOOK messenger community” of this lecture by July 7<sup>th</sup>, 24:00.

(7) Writing a report (1,000-1,500 words) based on materials which I distribute later. Please send your report to the “FACEBOOK messenger community” of this lecture by July 20<sup>th</sup>, 24:00.

The following is the option:

(8) I will organize web meetings among students with Google Meet, which is to be announced later via our messenger group.

### ■Evaluation

Evaluation of this lecture is based on your reports. Registration to the FACEBOOK community of this lecture is the basic requirement to take this course.
